

Creativity - SEND

Stonewall's home learning packs can be used by parents or carers looking to support their child's learning or by education staff looking to send work home for their pupils. There is a primary, secondary and SEND version of each pack, with a list of suggested activities and supporting materials for you to pick and choose from.

A word on online safety: please make sure you supervise your child when they use YouTube or are using the internet for research. Talk to them about what they should do if they see something that makes them feel uncomfortable or that they think they shouldn't be seeing. Use our [Staying Safe Online](#) resource or the [Childnet](#) website to help you.

Who are Stonewall?

This resource is produced by Stonewall, a UK-based charity that stands for the freedom, equity and potential of all lesbian, gay, bi, trans, queer, questioning and ace (LGBTQ+) people. At Stonewall, we imagine a world where LGBTQ+ people everywhere can live our lives to the full. Founded in London in 1989, we now work in each nation of the UK and have established partnerships across the globe. Over the last three decades, we have created transformative change in the lives of LGBTQ+ people in the UK, helping win equal rights around marriage, having children and inclusive education.

Our campaigns drive positive change for our communities, and our sustained change and empowerment programmes ensure that LGBTQ+ people can thrive throughout our lives. We make sure that the world hears and learns from our communities, and our work is grounded in evidence and expertise.

Stonewall is proud to provide information, support and guidance on LGBTQ+ inclusion; working towards a world where we're all free to be. This does not constitute legal

Suggested Activities

- Listen to the songs from the list in the resource pack. Which ones did you like? Which ones did you dislike?
- Choose a song from the list in the resource pack. Make up a dance to it.
- Choose a song from the list in the resource pack. Think about how the song made you feel – make some art based on that. It could be a drawing, a collage or a painting. It doesn't need to be a picture of an object or a person, it could be abstract.
- Look at the pictures in the resource pack. Which ones do you like? Which ones do you dislike?
- Choose a picture from the resource pack and make a self-portrait in the style of that artist.
- Make a mood board to show your interests and personality – you can either use the template in the resource pack or draw your own grid. Think about including pictures, textures and colours.
- Make rainbow cupcakes. You'll find a recipe here:
